

Directions to PXD PLASTICS CC – Tel 012 804 3776

Directions from Johannesburg:	Directions from Pretoria:
<p>N1 Freeway to Pietersburg Take Stormvoël off-ramp through tollgate Turn right into Stormvoël Road Continue until Derdepoort Road (5/6 traffic lights from the freeway?) Turn right into Derdepoort Road (you can only turn right) Keep left just before the S-kinks in the road (the smaller road is the continuation of Derdepoort Road) Look out for the second gate of the Silverton Engineering Complex (Derdepoort Road 318). The entrance of the Silverton Engineering complex is just before the entrance of the Tannery Industrial Park which is at the intersection of Derdepoort Road and Silwereike Road)</p>	<p>Get into Pretoria Road (the main street running through Silverton – Pretoria Road is also known as the Church Street extension). Turn into Dykor street that runs through the Silverton Industrial area You will get a fourway stop sign with the intersection of Moreletta street. Pass underneath a railway bridge Turn right into Silwereike Road (The first road that you can turn right into after the railway bridge) Turn left into Derdepoort Road at the next intersection (just before the entrance of the Tannery Industrial Park is at the end of Silwereike Road (Note the large animal paintings on the walls of the entrance). Look out for Derdepoort Road 318 (on your right) just after the entrance of the Tannery Industrial Park. Look out for PXD Plastics (Unit 18 – where the driveway ends)</p>
